

A Project

Report On

Automation testing using Selenium WebDriver on
UPSC website

By

Anita Borse

Batch- EON(2020-5218)

Under the Guidance of,

Priyanka Desle

(Technical Trainer)

EduBridge

Introduction

This Project aims to do overall testing like functional testing, GUI testing on website to check quality of application. It helps to improve quality of website and saves time for manually doing this testing. In this project our main focus is to check functionalities available on website. Also it includes title check and all links count with their working status.

Software Requirements

Operating System :- Window 10

Browser :- Latest version of Google Chrome

IDE :- Eclipse IDE

Front-end:- Language -Java

Tool :Selenium WebDriver

TEST SCRIPT

TC01- Launch the browser and open upsc.gov.in Website.

```
System.setProperty("webdriver.chrome.driver","C:\\users\\Admin\\Desktop\\SeleniumJar\\chromedriver_win32\\chromedriver.exe");
WebDriver driver = new ChromeDriver();
driver.get("https://www.upsc.gov.in/");
System.out.println(driver.getTitle());
driver.manage().window().maximize(); //Maximize The Window
```

TC02- To test the functionality of Home icon

```
driver.findElement(By.xpath("//i[@class='fa fa-home']")).click(); //Home icon
```

TC03- To test the functionality of What's New

```
driver.findElement(By.xpath("//i[@class='glyphicon glyphicon-stop']")).click(); //Stop-News button
Thread.sleep(2000);
driver.findElement(By.xpath("//i[@class='glyphicon glyphicon-play']")).click(); // play-News button
Thread.sleep(2000);
driver.findElement(By.xpath("/html/body/header/section[3]/div[2]/div[3]/div/a")).click(); //View-all news
Thread.sleep(2000);
System.out.println("Page Title:" +driver.getTitle()); //get the page title
WebElement E= driver.findElement(By.xpath("//div[@class='inner-right']"));
System.out.println("What's New Title's : " + E.getText()); //display all the news console
driver.navigate().back(); //go the home page
```

TC04- To test the functionality of Highlights

```
driver.findElement(By.linkText("View all")).click(); //View-all news
Thread.sleep(2000);
System.out.println("Page Title:" +driver.getTitle()); //get the page title
WebElement E1 = driver.findElement(By.xpath("//div[@class='inner-right']"));
System.out.println("Highlights Titles : " +E1.getText()); //display all the news console
driver.navigate().back()
```

TC05- To test the functionality of Examination On Home page

```
WebElement E3 = driver.findElement(By.xpath("//body/section[2]/div/div/div[2]/div"));
System.out.println("Examinations :" +E3.getText()); //display Examination link on console
driver.findElement(By.xpath(" //*[@id=\"block-views-exams-block-1\"]/div/div[1]/div[2]/div/a/ul/li")).click(); //Open link 1
Thread.sleep(2000);
System.out.println("Civil Services Examinations : " +driver.getTitle()); //get the page title
driver.findElement(By.linkText("FR-CDS-I-20-OTA-Engl-24052021.pdf")).click(); //open Pdf
Thread.sleep(2000);
//How many popups thr
Set<String> allHandles = driver.getWindowHandles();
//Iterator for fetching sets value
Iterator<String> itr = allHandles.iterator();
System.out.println(allHandles.size());
String mainWindow = itr.next();
String popup1 = itr.next();
//move to 1st popup
driver.switchTo().window(popup1);
//get the title & url of popup
System.out.println("Title of Page : " +driver.getTitle());
System.out.println("URL of Page : " +driver.getCurrentUrl());
//close popup1
driver.close();
driver.switchTo().window(mainWindow);
System.out.println(driver.getTitle());
driver.findElement(By.linkText("Home")).click();
Thread.sleep(2000);
driver.findElement(By.xpath(" //*[@id=\"block-views-exams-block-1\"]/div/div[1]/div[2]/div/a/ul/li")).click(); //open link2
Thread.sleep(2000);
System.out.println("Title of page : " +driver.getTitle());
driver.navigate().back();
Thread.sleep(2000);
driver.findElement(By.xpath(" //*[@id=\"block-views-exams-block-2\"]/div/div[1]/div[2]/div/a/ul/li")).click(); //open link3
Thread.sleep(2000);
```

```
System.out.println("Title of Page : " + driver.getTitle());
driver.findElement(By.linkText("Home")).click();
Thread.sleep(2000);
```

TC06- To test the functionality of Recruitment On Home page

```
WebElement E4 = driver.findElement(By.xpath("//section[@id='block-menu-block-6']")); //Recruitment On
Home page
Thread.sleep(2000);
System.out.println("Recruitment field size : " +E4.getSize()); //get the size of the link
System.out.println("Recruitment field Headlines : " +E4.getText()); //get all links on console
```

TC07- To test the functionality of Examination Notification

```
driver.findElement(By.xpath("//span[contains(text(),'Examination Notifications')]")).click(); //Open
'Examination Notifications Page
Thread.sleep(2000);
System.out.println("Title of page : " +driver.getTitle()); // get the title of page
driver.findElement(By.xpath("//a[contains(text(),'View Archives')]")).click(); //open archives links
driver.findElement(By.xpath("//input[@id='edit-field-exam-name-value']")).sendKeys("Engineering Services
(Preliminary) Examination"); //Name of Examination
driver.findElement(By.xpath("//input[@id='edit-field-year-tid']")).sendKeys("2021"); //Year
driver.findElement(By.xpath("//button[contains(text(),'Apply')]")).click(); //click on apply button
System.out.println("Title of page : " +driver.getTitle());
driver.findElement(By.linkText("Home")).click();
```

TC08- To test the functionality of Recruitment Advertisements

```
driver.findElement(By.xpath("//span[contains(text(),'Recruitment Advertisements')]")).click(); //open
Recruitment Advertisements page
Thread.sleep(2000);
System.out.println("Title of page : " +driver.getTitle());
driver.findElement(By.linkText("View Archives >>")).click(); //open archives links
```

TC09- To test the functionality of Apply Online

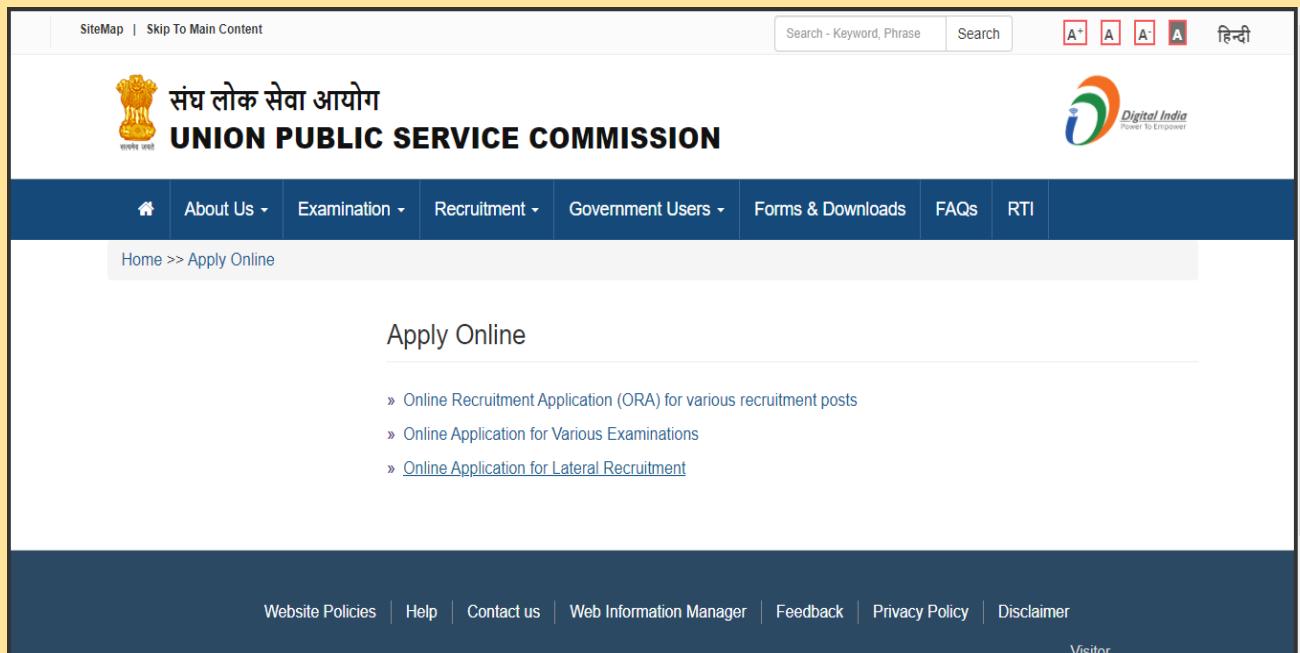

```
driver.findElement(By.linkText("Home")).click(); driver.findElement(By.xpath("//span[contains(text(),'Apply
Online')]")).click(); // open Apply Online page
Thread.sleep(2000);
System.out.println("Title of page:" +driver.getTitle()); //get the title of page
driver.findElement(By.linkText("Online Recruitment Application (ORA) for various recruitment
```

```
posts").click();//1st link
Thread.sleep(2000);
//How many popups thr
Set<String> allHandles1 = driver.getWindowHandles();
//Iterator for fetching sets value
Iterator<String> itr1 = allHandles1.iterator();
System.out.println(allHandles1.size());
String mainWindow1 = itr1.next();
String popup2 = itr1.next();
//move to 1st popup
driver.switchTo().window(popup2);
//get the title & url of popup
System.out.println("Title of Page : " +driver.getTitle());
System.out.println("URL of Page : " +driver.getCurrentUrl());
//close popup1
driver.close();
driver.switchTo().window(mainWindow1);
System.out.println(driver.getTitle());
driver.findElement(By.linkText("Online Application for Various Examinations")).click() //2nd link
Thread.sleep(2000);
//How many popups thr
Set<String> allHandles2 = driver.getWindowHandles();
//Iterator for fetching sets value
Iterator<String>itr2 = allHandles2.iterator();
System.out.println(allHandles2.size());
String mainWindow2 = itr2.next();
String popup3 = itr2.next();
//move to 1st popup
driver.switchTo().window(popup3);
//get the title & url of popup
System.out.println("Title of Page : " +driver.getTitle());
System.out.println("URL of Page : " +driver.getCurrentUrl());
//close popup1
driver.close();
driver.switchTo().window(mainWindow2);
```

```

System.out.println(driver.getTitle());
driver.findElement(By.linkText("Online Application for Lateral Recruitment")).click(); //3rd link
Thread.sleep(2000);
TakesScreenshot t = (TakesScreenshot) driver;
File src = t.getScreenshotAs(OutputType.FILE);
//Copy file to desired location
Files.copy(src, new File("D:\\ScreenShots\\p138.png"));

```

```

//How many popups thr
Set<String> allHandles3 = driver.getWindowHandles();
//Iterator for fetching sets value
Iterator<String>itr3 = allHandles3.iterator();
System.out.println(allHandles3.size());
String mainWindow3 = itr3.next();
String popup4 = itr3.next();
//move to 1st popup
driver.switchTo().window(popup4);
//get the title & url of popup
System.out.println("Title of Page : " +driver.getTitle());
System.out.println("URL of Page : " +driver.getCurrentUrl());

```

```
//close popup1  
driver.close();  
driver.switchTo().window(mainWindow3);  
System.out.println(driver.getTitle());
```

TC10- To test the functionality of Admit Cards

```
driver.findElement(By.linkText("Home")).click();driver.findElement(By.xpath("//span[contains(text(),'Admit  
Cards')]")).click(); // open Admit Cards page  
Thread.sleep(2000);  
System.out.println("Title of page : " +driver.getTitle());  
driver.findElement(By.linkText("E-Admit Cards for various Examinations of UPSC")).click(); //1st link  
Thread.sleep(2000);  
//How many popups thr  
Set<String> allHandles4 = driver.getWindowHandles();  
//Iterator for fetching sets value  
Iterator<String>itr4 = allHandles4.iterator();  
System.out.println(allHandles4.size());  
String mainWindow4 = itr4.next();  
String popup5 = itr4.next();  
//move to 1st popup  
driver.switchTo().window(popup5);  
//get the title & url of popup  
System.out.println("Title of Page : " +driver.getTitle());  
//close popup1  
driver.close();  
driver.switchTo().window(mainWindow4);  
System.out.println(driver.getTitle());  
driver.findElement(By.linkText("E-Admit Cards for various Recruitment Posts")).click(); //2nd link  
Thread.sleep(2000);  
//How many popups thr  
Set<String> allHandles5 = driver.getWindowHandles();  
//Iterator for fetching sets value  
Iterator<String>itr5 = allHandles5.iterator();
```

```

System.out.println(allHandles4.size());
String mainWindow5 = itr5.next();
String popup6 = itr5.next();
//move to 1st popup
driver.switchTo().window(popup6);
//get the title & url of popup
System.out.println("Title of Page : " +driver.getTitle());
//close popup1
driver.close();
driver.switchTo().window(mainWindow5);
System.out.println(driver.getTitle());
driver.findElement(By.linkText("Home")).click();

```

TC11- To test the functionality of Written Results

```

driver.findElement(By.xpath("//span[contains(text(),'Written Results')]")).click(); //open Written Results
Thread.sleep(2000);
driver.findElement(By.linkText("Examination Written Results")).click(); //1st link
Thread.sleep(2000);
//How many popups thr
Set<String> allHandles7 = driver.getWindowHandles();
//Iterator for fetching sets value
Iterator<String>itr6 = allHandles7.iterator();
System.out.println(allHandles7.size());
String mainWindow6 = itr6.next();
String popup7 = itr6.next();
//move to 1st popup
driver.switchTo().window(popup7);
//get the title & url of popup
System.out.println("Title of Page : " +driver.getTitle());
//close popup1
driver.close();
driver.switchTo().window(mainWindow6);
System.out.println(driver.getTitle());
driver.findElement(By.linkText("Recruitment Written Results (Recruitment Tests)").click(); //2nd link
Thread.sleep(2000);

```

```
System.out.println("Title of Page : " +driver.getTitle());
Set<String> allHandles8 = driver.getWindowHandles();
//Iterator for fetching sets value
Iterator<String>itr7 = allHandles8.iterator();
System.out.println(allHandles8.size());
String mainWindow7 = itr7.next();
String popup8 = itr7.next();
//move to 1st popup
driver.switchTo().window(popup8);
//get the title & url of popup
System.out.println("Title of Page : " +driver.getTitle());
//close popup1
driver.close();
driver.switchTo().window(mainWindow7);
System.out.println(driver.getTitle());
driver.findElement(By.linkText("Home")).click();
driver.findElement(By.xpath("//span[contains(text(),'Interviews')]")).click(); // open Interviews page
Thread.sleep(2000);
System.out.println("Title of Page : " +driver.getTitle());
driver.findElement(By.linkText("Interview Schedule")).click(); //1st link
Set<String> allHandles9 = driver.getWindowHandles();
//Iterator for fetching sets value
Iterator<String>itr8 = allHandles9.iterator();
System.out.println(allHandles9.size());
String mainWindow8 = itr8.next();
String popup9 = itr8.next();
//move to 1st popup
driver.switchTo().window(popup9);
//get the title & url of popup
System.out.println("Title of Page : " +driver.getTitle());
//close popup1
driver.close();
driver.switchTo().window(mainWindow8);
```

```

System.out.println(driver.getTitle());
driver.findElement(By.linkText("eSummon Letters")).click(); //2nd link
Thread.sleep(2000);
Set<String> allHandles01 = driver.getWindowHandles();
//Iterator for fetching sets value
Iterator<String> itr9 = allHandles01.iterator();
System.out.println(allHandles01.size());
String mainWindow9 = itr9.next();
String popup01 = itr9.next();
//move to 1st popup
driver.switchTo().window(popup01);
//get the title & url of popup
System.out.println("Title of Page : " +driver.getTitle());
//close popup1
driver.close();
driver.switchTo().window(mainWindow9);
System.out.println(driver.getTitle());
driver.findElement(By.linkText("Home")).click();

```

TC12- To test the functionality of Final Results

```

driver.findElement(By.xpath("//span[contains(text(),'Final Results')]")).click(); //open Final Results page
Thread.sleep(2000);
driver.findElement(By.linkText("Examination Final Results")).click(); //1st link

```
//*****Status of Recruitment Cases (Advertisement-wise) Tab-Corrigendum*****  
driver.findElement(By.xpath("//a[contains(text(),'Corrigendum')]")).click();  
System.out.println("Title of page: "+driver.getTitle());
```

The screenshot shows the official website of the Union Public Service Commission (UPSC). At the top, there is a navigation bar with links for Home, About Us, Examination, Recruitment, Government Users, Forms & Downloads, FAQs, and RTI. Below the navigation bar, a breadcrumb trail indicates the current page: Home >> Recruitment >> Status of Recruitment Cases (Advertisement-wise) >> Corrigendum. On the left side, there is a vertical sidebar with links for Applicant's List, Notices, Corrigendum (which is highlighted in blue), Scrutiny, Interview Schedules, Results, and Marks Information. The main content area is titled "Corrigendum". It contains three input fields: "Advertisement Number" (containing "10 - 2020"), "Vacancy Number" (containing "20091001112"), and "Name of Post" (containing "03 Posts of Livestock Officer in Department of Animal Husbandry and Dairying"). There are also "Apply" and "Reset" buttons.

TC95: To check the functionality of Apply button in Corrigendum page of Status of Recruitment Cases with valid data.

```
driver.findElement(By.xpath("//input[@id='edit-field-advertisement-number-value']")).sendKeys("10 -  
2020");  
driver.findElement(By.xpath("//input[@id='edit-field-vacancy-number-value']")).sendKeys("20091001112");  
driver.findElement(By.xpath("//input[@id='edit-field-name-of-post-vaccancy-value']")).sendKeys("03 Posts of  
Livestock Officer in Department of Animal Husbandry and Dairying");  
driver.findElement(By.xpath("//button[@id='edit-submit-recruitment']")).click();
```

This screenshot shows the same UPSC website as the previous one, but with different data entered into the search fields. The "Advertisement Number" field now contains "10 - 2020", the "Vacancy Number" field contains "20121602112", and the "Name of Post" field contains "03 Posts of Livestock Officer in Department of Animal Husbandry and Dairying". The "Apply" and "Reset" buttons are visible below the input fields.

TC96: To check functionality of Reset button in Corrigendum with data.

```
driver.findElement(By.xpath("//button[@id='edit-reset']")).click();
```

Scrutiny

Advertisement Number
Vacancy Number
Name of Post Apply Reset

Advertisement Number	Vacancy Number	Name of Post	Date of Upload
10 - 2019	19081003124	04 Posts of Livestock Officer, Deptt. of Animal Husbandry and Dairying » (85.73 KB)	26/04/2021

TC98: To check the functionality of Apply button in Scrutiny page of Status of Recruitment Cases with valid data.

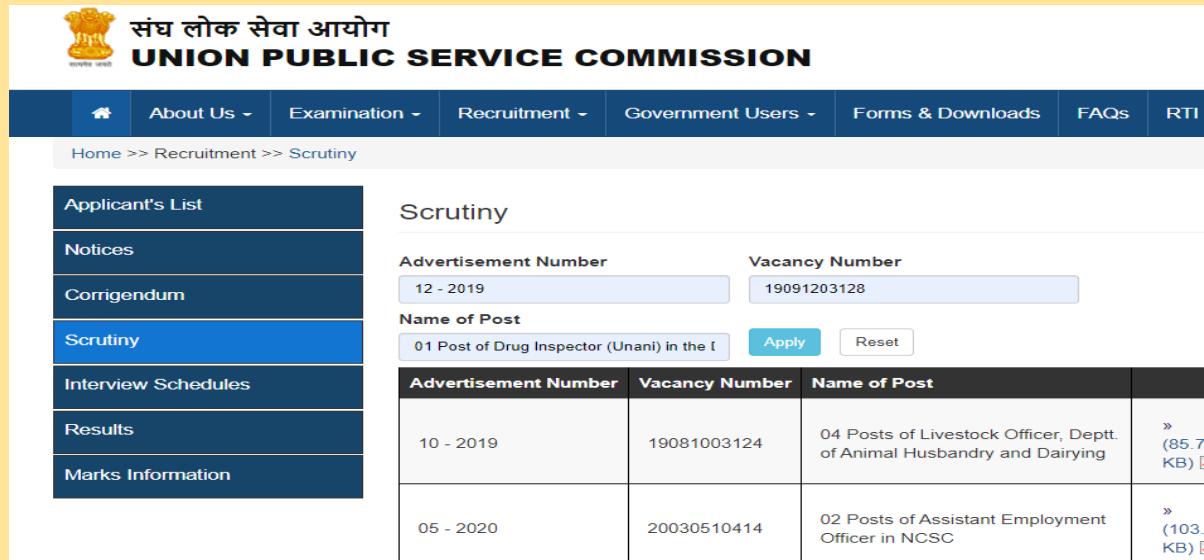

```
driver.findElement(By.xpath("//input[@id='edit-field-advertisement-number-value']")).sendKeys("12 - 2019");
```

```
driver.findElement(By.xpath("//input[@id='edit-field-vacancy-number-value']")).sendKeys("19091203128");
```

```

driver.findElement(By.xpath("//input[@id='edit-field-name-of-post-vaccancy-value']")).sendKeys("01 Post of Drug Inspector (Unani) in the Directorate of AYUSH, GNCTD");
driver.findElement(By.xpath("//button[@id='edit-submit-recruitment']")).click();

```

The screenshot shows the UPSC Scrutiny page. On the left, there's a sidebar with links like 'Applicant's List', 'Notices', 'Corrigendum', 'Scrutiny' (which is highlighted in blue), 'Interview Schedules', 'Results', and 'Marks Information'. The main content area has a title 'Scrutiny'. It shows two input fields: 'Advertisement Number' (12 - 2019) and 'Vacancy Number' (19091203128). Below these are two buttons: 'Apply' and 'Reset'. To the right is a table with three columns: 'Advertisement Number', 'Vacancy Number', and 'Name of Post'. It contains two rows of data. The first row is for '10 - 2019' (Vacancy 19081003124) with the post '04 Posts of Livestock Officer, Deptt. of Animal Husbandry and Dairying'. The second row is for '05 - 2020' (Vacancy 20030510414) with the post '02 Posts of Assistant Employment Officer in NCSC'. Each row has a download link at the end: '» (85.73 KB)' for the first and '» (103.6 KB)' for the second.

TC99: To click on PDF file in Scrutiny and Switch back to Status of Recruitment Cases page

```
driver.findElement(By.xpath("//tbody/tr[1]/td[4]/ul[1]/li[1]/a[1]")).click();
```

```
Thread.sleep(2000);
```

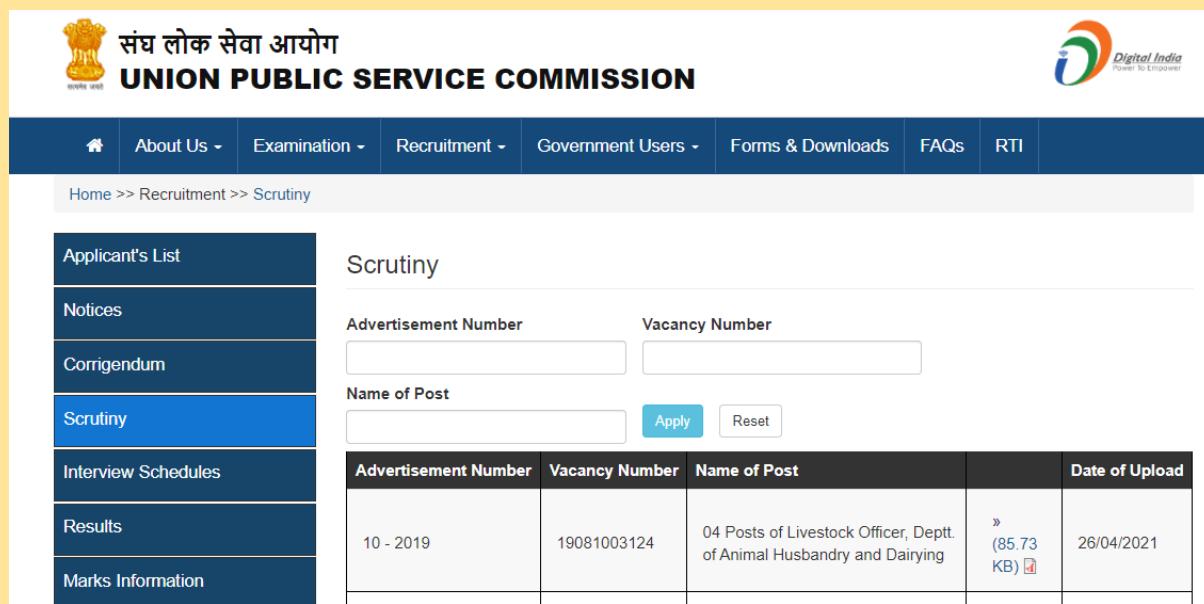

```
driver.switchTo().window(tab9.get(0));
```

```
Thread.sleep(2000);
```

TC100: To check functionality of Reset button in Scrutiny page with data.

```
driver.findElement(By.xpath("//button[@id='edit-reset']")).click();
```

```
Thread.sleep(2000);
```

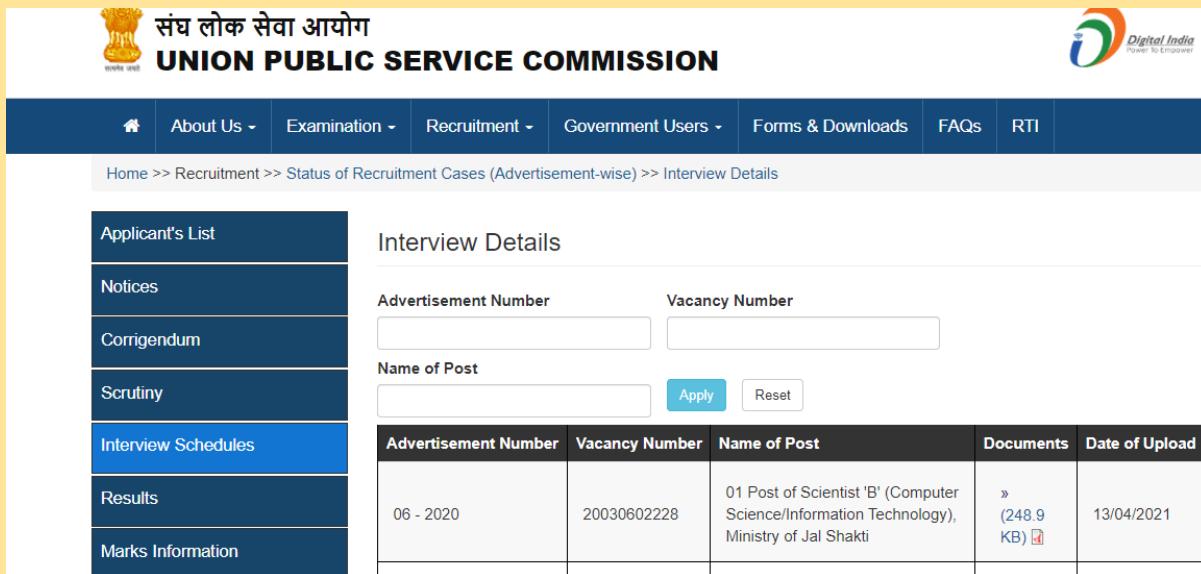

This screenshot is identical to the one above, showing the UPSC Scrutiny page. The sidebar, main title 'Scrutiny', and table with two rows of data are all present. The only difference is the absence of the PDF download links from the first screenshot, indicating they have been removed or are no longer visible.

TC101: To Click on Interview Schedules in Status of Recruitment Cases page.

*****Status of Recruitment Cases (Advertisement-wise) Tab-Interview Schedules*****

```
driver.findElement(By.xpath("//a[contains(text(),'Interview Schedules')]")).click();
```

```
System.out.println("Title of page: "+driver.getTitle());
```

Screenshot of the UPSC website showing the Interview Details page. The sidebar on the left has 'Interview Schedules' selected. The main content shows interview details for advertisement number 06 - 2020, vacancy number 20030602228, and name of post '01 Post of Scientist 'B' (Computer Science/Information Technology), Ministry of Jal Shakti'. A file named '(248.9 KB)' is listed under documents.

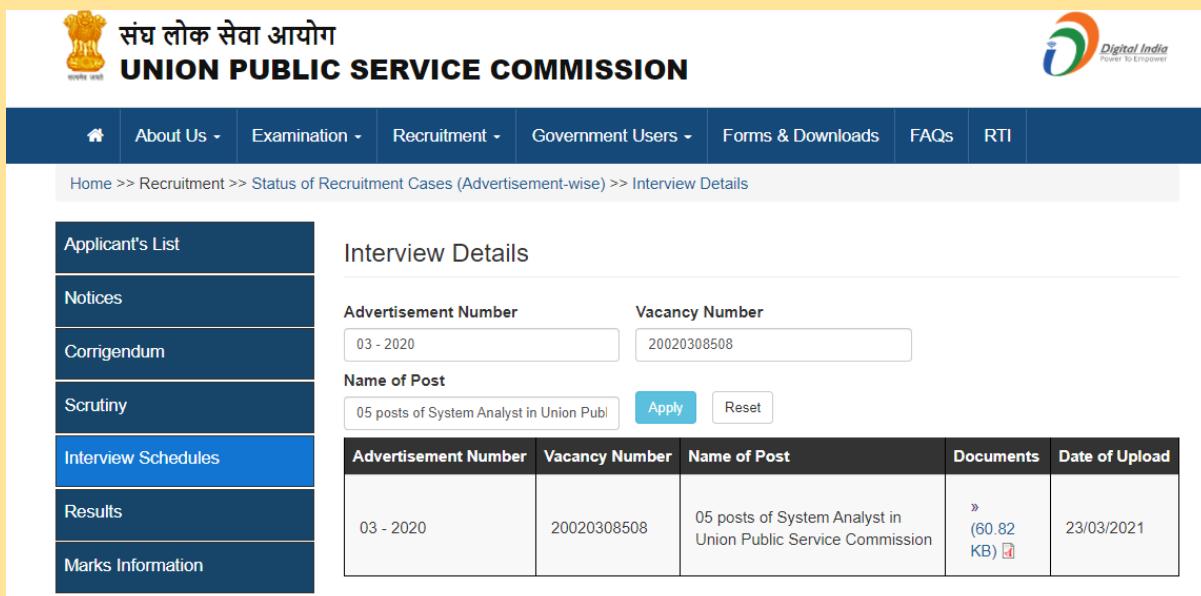

TC102: To check the functionality of Apply button in Interview Schedules page of Status of Recruitment Cases with valid data.

```
driver.findElement(By.xpath("//input[@id='edit-field-advertisement-number-value']")).sendKeys("03 - 2020");
```

```
driver.findElement(By.xpath("//input[@id='edit-field-vacancy-number-value']")).sendKeys("20020308508");
```

```
driver.findElement(By.xpath("//input[@id='edit-field-name-of-post-vaccancy-value']")).sendKeys("05 posts of System Analyst in Union Public Service Commission");
```

```
driver.findElement(By.xpath("//button[@id='edit-submit-recruitment']")).click();
```

Screenshot of the UPSC website showing the Interview Details page after applying filters. The sidebar on the left has 'Interview Schedules' selected. The main content shows interview details for advertisement number 03 - 2020, vacancy number 20020308508, and name of post '05 posts of System Analyst in Union Public Service Commission'. A file named '(60.82 KB)' is listed under documents.

TC103: To click on PDF file in Interview Schedules Page and Switch back to Status of Recruitment Cases page.

```
driver.findElement(By.xpath("//tbody/tr[1]/td[4]/ul[1]/li[1]/a[1]")).click();
```

```
Thread.sleep(2000);
```

```
driver.switchTo().window(tab9.get(0));
```

```
Thread.sleep(2000);
```

TC104: To check functionality of Reset button in Interview Schedules page with data.

```
driver.findElement(By.xpath("//button[@id='edit-reset']")).click();
```

```
Thread.sleep(2000);
```

The screenshot shows the UPSC website's Interview Details page. On the left, there's a sidebar with links: 'Applicant's List', 'Notices', 'Corrigendum', 'Scrutiny', 'Interview Schedules' (highlighted in blue), 'Results', and 'Marks Information'. The main content area has a header 'Interview Details' and fields for 'Advertisement Number' and 'Vacancy Number'. Below that is a 'Name of Post' field with an 'Apply' button. A table lists one record: Advertisement Number 06 - 2020, Vacancy Number 20030602228, Name of Post 01 Post of Scientist 'B' (Computer Science/Information Technology), Ministry of Jal Shakti, Documents (248.9 KB), and Date of Upload 13/04/2021.

Advertisement Number	Vacancy Number	Name of Post	Documents	Date of Upload
06 - 2020	20030602228	01 Post of Scientist 'B' (Computer Science/Information Technology), Ministry of Jal Shakti	» (248.9 KB)	13/04/2021

TC105: To Click on Results in Status of Recruitment Cases page.

```

TC116: To Click on Schedule for Recruitment Tests & Interviews in Recruitment Tests Page.

```
driver.findElement(By.xpath("//a[contains(text(),'Schedule for Recruitment Tests & Interviews')]")).click();
System.out.println("Title of page: "+driver.getTitle());
Thread.sleep(2000);
```

The screenshot shows the UPSC Recruitment Tests page. At the top left is the UPSC logo and the text "संघ लोक सेवा आयोग" and "UNION PUBLIC SERVICE COMMISSION". At the top right is the Digital India logo. A navigation bar below has links for Home, About Us, Examination, Recruitment, Government Users, Forms & Downloads, FAQs, and RTI. Below the navigation bar is a breadcrumb trail: Home > Recruitment > Recruitment Tests. On the left is a sidebar with a "Advertisements" section containing links for Online Application for Lateral Recruitment, Online Recruitment Application (ORA), Status of Recruitment Cases (Advertisement-wise), Forms for Certificates, Recruitment Tests (which is highlighted in blue), and Recruitment Requisition. The main content area is titled "Recruitment Tests" and contains a list of links: Schedule for Recruitment Tests & Interviews, Notice, e-admit Card, Demo Files for all CBRTs, Results, Cut-off Marks, Result Details, Answer Keys, Marks Information, and Question Papers.

TC117: To Switch to new window of Schedule for Recruitment Tests Page.

```
Set<String> windows12=driver.getWindowHandles();
```

```
ArrayList <String> tab12=new ArrayList(windows12);
```

```
driver.switchTo().window(tab12.get(1));
```

```
Thread.sleep(2000);
```

The screenshot shows the "Schedule for Recruitment Tests" page. It features a header with the UPSC logo and the text "संघ लोक सेवा आयोग" and "UNION PUBLIC SERVICE COMMISSION". The header also includes a search bar and navigation links for SiteMap, Skip To Main Content, and various government services. Below the header is a breadcrumb trail: Home > Recruitment > Recruitment Tests > Interview Details. The main content area is titled "Interview Details" and contains three input fields: "Advertisement Number" (with placeholder "03 - 2020"), "Vacancy Number" (with placeholder "20020308508"), and "Name of Post" (with placeholder "01 Post of Scientist 'B' (Chemistry), Ministry of Jal Shakti"). There are "Apply" and "Reset" buttons at the bottom of the form.

TC118: To check the functionality of Apply button in Schedule for Recruitment Tests Page with valid data.

```
driver.findElement(By.xpath("//input[@id='edit-field-advertisement-number-value']")).sendKeys("03 - 2020");
```

```
driver.findElement(By.xpath("//input[@id='edit-field-vacancy-number-value']")).sendKeys("20020308508");
```

```
driver.findElement(By.xpath("//input[@id='edit-field-name-of-post-vaccancy-value']")).sendKeys("01 Post of Scientist 'B' (Chemistry), Ministry of Jal Shakti");
```

```

driver.findElement(By.xpath("//button[@id='edit-submit-recruitment']")).click();
Thread.sleep(2000);

Interview Details

Advertisement Number	Vacancy Number
<input type="text"/>	<input type="text"/>
Name of Post	<input type="text"/> <input type="button" value="Apply"/> <input type="button" value="Reset"/>

TC120: To Click on Notice in Recruitment Tests Page.

```

driver.findElement(By.xpath("//a[contains(text(),'Notice')]")).click();
System.out.println("Title of page: "+driver.getTitle());

```

The screenshot shows the official website of the Union Public Service Commission (UPSC). The top navigation bar includes links for About Us, Examination, Recruitment, Government Users, Forms & Downloads, FAQs, and RTI. The main content area is titled 'Recruitment Tests' and lists various links related to recruitment processes like Online Application for Lateral Recruitment, Online Recruitment Application (ORA), Status of Recruitment Cases, Forms for Certificates, Recruitment Tests, Recruitment Requisition, and Recruitment cases kept on.

TC121: To Switch to Notice page of Recruitment Test and Check the functionality of Apply button in Notice page of Recruitment Test.

```

Set<String> windows13=driver.getWindowHandles();
ArrayList <String> tab13=new ArrayList(windows13);
driver.switchTo().window(tab13.get(1));
Thread.sleep(2000);
driver.findElement(By.xpath("//input[@id='edit-field-advertisement-number-value']")).sendKeys("51 - 2020");
driver.findElement(By.xpath("//input[@id='edit-field-vacancy-number-value']")).sendKeys("20015101411");
driver.findElement(By.xpath("//input[@id='edit-field-name-of-post-vaccancy-value']")).sendKeys("421 Posts of Enforcement Officer - Accounts Officer, EPFO");
driver.findElement(By.xpath("//button[@id='edit-submit-recruitment']")).click();

```

The screenshot shows the 'Notice' page of the UPSC website. It displays a search result for a specific advertisement and vacancy number. The search parameters are: Advertisement Number (51 - 2020) and Vacancy Number (20015101411). The results show one post: '421 Posts of Enforcement Officer - Accounts Officer, EPFO'. A PDF file link for this post is visible. The page also includes the UPSC logo and navigation links.

TC122: To click on PDF file in Notice Page and Switch back to Notice page.

```

driver.findElement(By.xpath("//tbody/tr[1]/td[4]/ul[1]/li[1]/a[1]")).click();
Thread.sleep(2000);
driver.switchTo().window(tab13.get(1));
Thread.sleep(2000);

```

TC123: To Check the functionality of Reset Button in Notice page with data and Close the notice page and switch back to recruitment test page.

```

driver.findElement(By.xpath("//button[@id='edit-reset']")).click();
Thread.sleep(2000);

```

The screenshot shows the UPSC website's 'Notice' section. At the top, there are search fields for 'Advertisement Number' and 'Vacancy Number', and a 'Name of Post' input field with 'Apply' and 'Reset' buttons. Below this, a table lists three job posts:

Advertisement Number	Vacancy Number	Name of Post	Documents	Date of Upload
07/2015	15040707111	CBRT to 07 Posts of Drugs Inspector in Drugs Control Department, GNCTD	» (38.93 KB)	19/05/2021
04/2015	15020403128	CBRT to 147 Posts of Drugs Inspector in Central Drugs Standard Control Organisation (CDSCO)	» (38.93 KB)	19/05/2021
18 - 2019	19121802628	27 Posts of Deputy Central	» (65.46 KB)	13/04/2021

```

driver.close();
driver.switchTo().window(tab13.get(0));
Thread.sleep(2000);

```

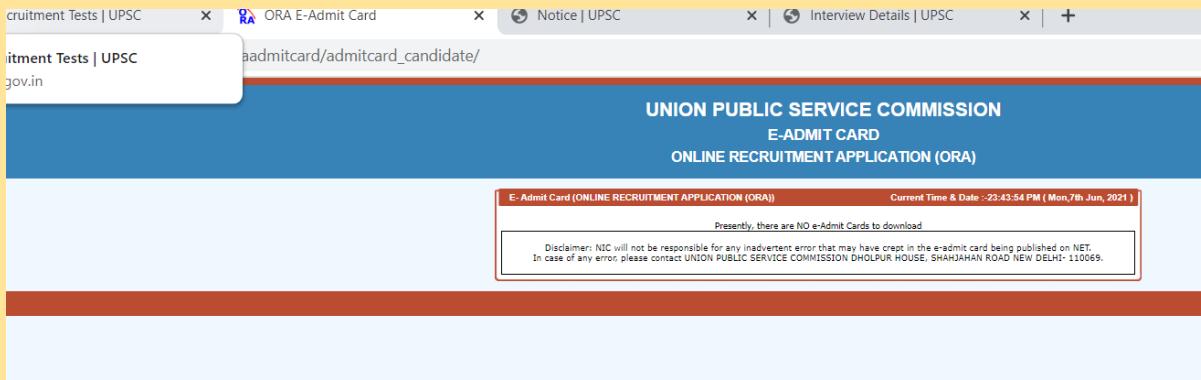

TC124: To click on the E-Admit card in Recruitment Tests and switch back to Recruitment page.

```
//*****Recruitment Tests Tab-e-admit card*****
```

```

driver.findElement(By.xpath("//a[contains(text(),'e-admit Card')]")).click(); //one new window open
System.out.println("Title of page: "+driver.getTitle());
Thread.sleep(2000);

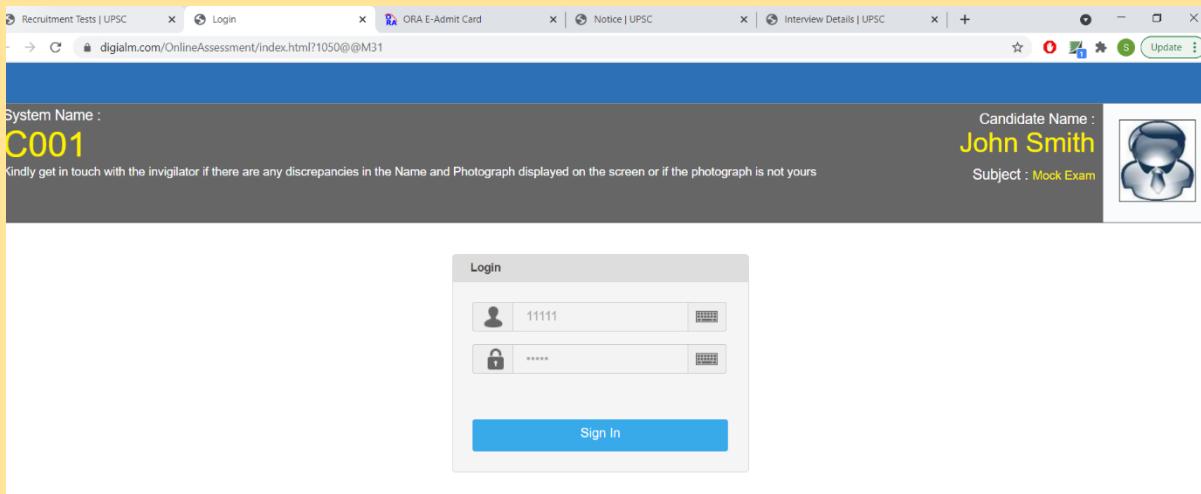

```

```
driver.switchTo().window(tab13.get(0));
```

TC125: To click on the Demo Files for all CBRTs in Recruitment Tests and switch back to Recruitment Test page.

```
*****Recruitment Tests Tab-Demo Files for all Cbrt's*****
driver.findElement(By.xpath("//a[contains(text(),'Demo Files for all CBRTs')]")).click();//one new window open
Thread.sleep(2000);
System.out.println("Title of page: "+driver.getTitle());
```

```
driver.switchTo().window(tab13.get(0));
```

```
Thread.sleep(2000);
```

TC126: To click on the Results in Recruitment Tests and switch back to Recruitment test page and close all opened tabs.

```
*****Recruitment Tests Tab-Results*****
driver.findElement(By.xpath("//a[contains(text(),'Results')]")).click();
System.out.println("Title of page: "+driver.getTitle());
```

```

Set<String> windows14=driver.getWindowHandles();
ArrayList <String> tab14=new ArrayList(windows14);
driver.switchTo().window(tab14.get(1));
driver.close();
driver.switchTo().window(tab14.get(3));
driver.close();
driver.switchTo().window(tab14.get(2));
driver.close();

```

TC127: To Switch to Results Page and Click on Written Results in Results page.

```

Set<String> windows15=driver.getWindowHandles();
ArrayList <String> tab15=new ArrayList(windows15);
driver.switchTo().window(tab15.get(1));
Thread.sleep(2000);
driver.findElement(By.xpath("//a[contains(text(),'Written Results')]")).click();
System.out.println("Title of page: "+driver.getTitle());

```

The screenshot shows the UPSC Results page. At the top, there are two tabs: "Results | UPSC" and "Written Results | UPSC". The URL in the address bar is "upsc.gov.in/recruitment/recruitment-test/results". Below the tabs is a search bar with options for "Search - Keyword, Phrase" and "Search". There are also accessibility icons for A+, A, A, and A. The header features the Indian national emblem and the text "संघ लोक सेवा आयोग" and "UNION PUBLIC SERVICE COMMISSION". To the right is the "Digital India" logo. The main navigation menu includes links for "About Us", "Examination", "Recruitment", "Government Users", "Forms & Downloads", "FAQs", and "RTI". The breadcrumb trail shows the path: Home >> Recruitment >> Recruitment Tests >> Results. The current page title is "Results". Below the title are links for "Written Results" and "Final Results".

TC128:To Switch to Written Results Page and Click on View Archives in Written Results Page.

```
Set<String> windows16=driver.getWindowHandles();
ArrayList <String> tab16=new ArrayList(windows16);
driver.switchTo().window(tab16.get(2));
Thread.sleep(2000);
driver.findElement(By.xpath("//a[contains(text(),'View Archives >>')]")).click();
```

The screenshot shows the UPSC Written Results page. The header and navigation menu are identical to the previous screenshot. The main content area is titled "Written Results". It contains a search form with fields for "Advertisement Number" and "Vacancy Number", and a button labeled "Apply". Below the form is a message: "No Written Result is available to show." At the bottom of the page is a footer with links for "Website Policies", "Help", "Contact us", "Web Information Manager", "Feedback", "Privacy Policy", and "Disclaimer". The footer also includes a "Validator" section with the number "No244882391" and the date "15 Sep 2016". The bottom status bar shows the URL "https://www.upsc.gov.in/recruitment/recruitment-test/results/written-results/archives", the taskbar with various application icons, and the system clock showing "23:48 07-06-2021".

TC129:To Check the functionality of Apply Button in Written Results Page with valid data.

```
driver.findElement(By.xpath("//input[@id='edit-field-advertisement-number-value']")).sendKeys("09 - 2020");
driver.findElement(By.xpath("//input[@id='edit-field-vacancy-number-value']")).sendKeys("20080904122");
});
```

```

driver.findElement(By.xpath("//input[@id='edit-field-name-of-post-vaccancy-value']")).sendKeys("07 Posts of General Duty Medical Officer (Homoeopathy), GNCTD");
driver.findElement(By.xpath("//button[@id='edit-submit-recruitment']")).click();
